4TH QUARTER PUSH!!

REFLECTION AND GOAL SETTING

In a few short months, you will be transitioning to the next grade. You will be the upperclassmen. As you become the leaders of your school, how will you take that leadership seriously, both for yourselves and for our larger community? Take some time now to reflect on Term 3 and how you will move forward from here.

REFLECT ON YOUR YEAR SO FAR...

What has gone well? What do you feel proud of?	And what could you work to improve RIGHT NOW, so that you head into your junior year with confidence?

THINK ABOUT NEXT YEAR...

You will be the leaders of our school. What do you want that to look like? What does being a leader look like for you? What kind of leader will you be? How will you make our school community a better place? How will you push yourself to accomplish the goals you have set for yourself - both within the walls of our school and beyond???

- ☐ Set 1 short-term SMART goal for Term 4. (specific, measurable, attainable, relevant, time-bound)
Make sure it is closely linked to the vision you have for yourself next year. What short-term goal can you set now that will help you become that version of yourself?
